

The AYSO EPIC (Everyone Plays In our Community) program supports the philosophy of Everyone Plays by providing soccer designed for players with physical and mental disabilities. For a number of years, Region 878 has offered EPIC (previously VIP) programs in our community. Our Region was awarded a grant to use towards expanding the program within our community.

We are taking a journey to find ways to stabilize and grow the program to improve the experience of our players and we invite you along on this journey to help us brainstorm, plan, and implement some changes to this program. We are planning a series of EPIC Journey meetings and are looking for folks who have an interest in helping us explore opportunities for the kiddos in the program.

Let us know if you're interested in joining us on this EPIC journey to bring more soccer to kiddos of all abilities within our community! Submit your information via this [EPIC Journey Team Interest](#) form.
