

## Uniform Policy and Procedures

### Uniform Order Process

As part of our registration fees, Hesperia AYSO Region 878 provides uniforms to our players. These uniforms are ordered as soon as team formation is completed. For the best scenario, this requires that all volunteer coaches be secured prior to rostering teams.

The uniform order process takes 4-6 weeks from the time of order acceptance to shipment.

### Uniform Size Selection

Uniform orders are placed based on the custom sizes selected during the registration process for player jerseys, shorts, and socks. Some divisions and programs may vary slightly in the uniform pieces provided.

*Important Note:* When registering a returning player, the system will pre-populate the size selected in the previous season. Ensure this is still correct and update as needed. This is the most common reason for an error in ordering the uniform. This error would be the financial responsibility of the player’s family.

When you have determined that a change to the uniform size ordered is required, you must follow the below process to minimize the chance of error.

### Uniform Distribution

Uniforms will be distributed to a registered volunteer for each team, along with a sizing guide to ensure each child receives the size they ordered. If there are late adjustments to rosters or uniform sizes, we may try to mitigate the delay of reordering uniforms by distributing ordered uniforms by size order of the players rostered to the team versus the size requested during registration. For instance, lining the players up from smallest/shortest to largest/tallest and

distributing the uniforms received in this order (i.e. the smallest three players receive the Youth Smalls, the next three players in size order receive the Youth Mediums, and the largest player receives the Youth Large). This option saves time and costs for the reorder.

### **Uniform Size Issues**

When there is an error in the size of the uniform, submit the [Uniform Size Update](#). In the event that Hesperia AYSO Region 878 orders the incorrect size, the region will order a replacement uniform in the size indicated on the player's registration. In the event that the uniform received does not fit your player, but is the size indicated on your registration a replacement uniform may be ordered at the cost of \$35.00 per uniform.

- \$25 for jersey
- \$6 for shorts
- \$4 for socks

### **Uniform Alterations**

The uniform provided to your player may be altered for fitting purposes. Other custom alterations (team names, player names, sponsorship logos, etc.) are not permitted.
